

2x2 Swingers Club

Shopping Center Cita, Local 401 in Playa del Ingles, MaspalomasTel:

We are a meeting point for tolerant and modern people, Swingers, leather, pvc, cross-dressers, bisexuals, nudist, exhibitionists etc. everyone is welcome.

In our relaxed atmosphere it is not hard to meet like minded people. Our music permits getting a conversation going without raising your voice, and at the same time permits dancing.

We expect respect and tolerance towards all other users of the club, especially those living out or experimenting with their fetish fantasies.

As with all clubs, one should not touch or attempt to join in without consent of the other people. If someone says "NO" then you should back off, if you ignore the "NO" command we reserve the right to remove you from the premises and to exclude you from all future events.

All nights are based on a simple "everything is possible, but nothing has to happen."

Once in a while or on request we organise special theme nights such as Nudist, S & M, gangbang, bisex etc.

The bar is designated as a smoking area. But smoking is not allowed in the play areas.

Our fun zone consist of:

- Orgy-room (with giant bed),
- Pyramid (for the creative swingers),
- S & M corner,
- Mirror-room,
- Private rooms.

Of course we offer clean toilets, showers, lockers, towels and condoms for safe sex.

All ladies present in the 2x2 are there strictly for their own pleasure (no professionals) They expect to be treated with respect and courtesy.

We don't have a strict dress code on most nights, but we do prefer our guests to "Dress to impress". Sexy lingerie, pvc, leather, nylon, miniskirt etc. Gents can wear string, boxer shorts, leather, net-shirt, see-through tops or dress in black. Lockers are available for your street-wear!

We reserve the right to refuse entry to people that are not dressed to impress. Nudists are welcome to wear clothes or go naked.

Single men are allowed in the club on most nights, but we do limit the number of single men to just 4 on any given night (except on gang bang and bisex nights and when there is a large number of couples present in search of single men). Single men are not allowed to enter the fun zone on their own. They are only allowed to enter it on invitation of a couple and are expected to limit their actions to this specific couple.
